

# Markham Fair

## Educational Teachers Plan

---

Teachers:

Remember to plan an activity or scavenger hunt for your students to do and see at the fair. This will give them a focus for the day, and will allow you to cover curriculum content while you are there.

On the day of the fair students should have:

- Appropriate clothing for the weather
- Packed lunch
- Pencil
- Assignment
- Group

Teachers you should provide each volunteer with a:

- group list of students
- name tag with school on it
- map of fairgrounds
- schedule of the days events
- Meeting place and time. ( Entrance to the Entertainment Tent at 2 pm) We will proceed to buses when we know everyone is accounted for.

Teachers please instruct your students and parents that anyone walking around the fair wearing a **Yellow Markham Fair Jacket and or Director, or Committee ribbons are Markham Fair Volunteers**, and if they need anything these are the people to talk too.

Lost children's booth is just inside the main gates. If any students should get separated from the group, this is the place to be reunited with them.

Thank you for reading and putting into place this information. Hope everyone has a great time at the Fair. If there is anything you notice that I should add to the curriculum website please email me at [michelle.hulshof@ycdsb.ca](mailto:michelle.hulshof@ycdsb.ca)
