President's Message

On behalf of the Markham and East York Agricultural Society, I am honored to welcome you to our 181st Markham Fair.

Markham Fair is a proud tradition that continues to teach our ever-changing audience about the importance agriculture plays in our lives. It's hard to believe that what began as a one-day fair 181 years ago, bringing the local agricultural community together to showcase their yearly achievements, has turned into Canada's largest 4-day Fair, featuring thousands of entries, educational displays, and tons of family fun. From enjoying live entertainment to browsing local vendors or watching the fireworks at the Demo Derby, there truly is something for everyone.

Markham Fair's success would not be possible without the support of the almost nine hundred volunteers that work day and night, not only during the Fair but year-round. These individuals work tirelessly to create new attractions and events to keep us vibrant within the community and entertain our guests. It is their passion and dedication that has allowed Markham Fair to succeed for 181 years. Of course, without exhibitors and attendees, the Fair wouldn't be what it is today. Our dedicated exhibitors take the time each year to bring their animals, crafts, produce, and family heirlooms to the Fair, bringing life into our buildings. The thousands of entries are what keeps us tied to our heritage and history. I cannot thank all of you enough.

On behalf of the Board of Directors, I welcome you to the 2025 Markham Fair and invite you to come out and enjoy everything the Fair has to offer—creating lasting memories and a family tradition.

Sincerely,

Dylan Armstrong

Homecraft President's Message

I am incredibly proud and honored to serve as the Homecraft President for this year's Markham Fair. Being entrusted with this role is a true privilege, and I couldn't be more excited to help lead and showcase the talent and creativity of our community. I've been attending Markham Fair since I was a little girl, and it was always such a fun family time and continues to be a much-looked-forward-to event in our wonderful community. It is a time to bring people together, highlight the importance of community, and create lasting memories for everyone involved.

As Homecraft President, I am committed to fostering a welcoming environment where participants can share their passion, learn from each other, and find inspiration. The dedication and enthusiasm from our volunteers, exhibitors, and attendees make this event something truly remarkable.

I want to express my deepest gratitude to everyone who contributes to making this Fair a success. Fair Board, our Homecraft Executive, and all our many, many volunteers, your hard work, creativity, and spirit are the driving forces behind this incredible event, and it is because of you that we can come together to celebrate all that makes our community so special. I am looking forward to seeing all the fantastic displays of talent and creativity, and I can't wait to share this journey with all of you at the 181st Markham Fair!

Sincerely,

Alison Lyon
2025 Homecraft President

2024 Ambassador's Message

Thank you so much to the Markham Fair community for allowing me to represent you as the 2024 Markham Fair Ambassador. I had an amazing time at this past year's fair! I had the chance to go up in the tower for the tractor pull, ride in the 4-horse hitch during the horse show, help judge the 4-H calf costume contest, and even watch the children's demo derby up close.

Every year, I try to learn something new about farming or how our food is produced. This year, I learned how to milk a cow, shear a sheep, and I discovered all the creative ways butter can be used during the butter sculpting competition! Education about agriculture is one of the most important parts of the Fair, especially as more people become disconnected from the origins of their food. I'm so grateful to everyone who works hard to educate our community about agriculture.

Thank you to the Ambassador Committee who helped me during the Fair as well as throughout this year. Another big thank you to the Board of Directors and the President, Scott Redshaw, for putting on such a great Fair! I look forward to enjoying the 2025 Fair passing on my title. The Markham Fair is such a big family, and I'm so glad that I have been a part of that family ever since I was a little girl. See you all at the fair!

Thank you,

Rylee Brown
2024 Markham Fair Ambassador

Markham Mayor's Message

On behalf of Members of Council and the City of Markham, I am pleased to extend a warm and sincere welcome to everyone attending the annual Markham Fair held at the Markham Fairgrounds.

We extend our congratulations and appreciation to the Markham & East York Agricultural Society for once again hosting this annual Fair. Last year, you marked an incredible milestone—your 180th anniversary—an achievement that speaks to the dedication, hard work, and passion that has kept this cherished tradition alive for generations. Year after year, this Fair remains a highly anticipated event, and this year is no exception.

As one of the most celebrated fall fairs in the province, this event continues to draw visitors from across the GTA, showcasing the very best of our agricultural heritage, local talent, and community spirit. From entertainment to educational exhibits, family-friendly activities, and of course, outstanding local produce and livestock, Markham Fair has something for everyone. Its impact extends far beyond the fairgrounds, strengthening our community by supporting local farmers, businesses, and vendors while bringing people together in celebration.

A sincere thank you to the entire team, the countless volunteers, the dedicated vendors, and the hardworking farmers who make this event possible. Your efforts ensure that this beloved tradition not only continues but thrives, enriching our community in so many ways. We deeply appreciate your commitment and look forward to another fantastic year at Markham Fair!

Yours sincerely,

Frank Scarpitti
Mayor

Sincerely,

General Conditions for both Hand Quilted and Machine Quilted Quilt Competitions.

Markham Fair is not responsible for lost or damaged exhibits.

The Markham Fair Photography competition is **ALL PRINT!** You can still take your photos with a digital camera, however, the digital display categories have been removed. This competition is about your ability to capture that special image and present it in print form without obvious enhancements. This is a photography competition, not a Photoshop® Competition. *** Check out our website for more information.

Additional Rules:

- A. An Exhibitor may enter only one exhibit per class.
- B. Framed photos will not be accepted. No wooden mounts. No glass.
- C. Minimum print size to be 5" x 7" unless otherwise stated.
- D. **Maximum mount size must not exceed 11" x 14" unless otherwise stated.**
- E. All photos must be applied to stiff cardboard or photographic mounting board. To hang properly, use the hook portion Velcro® adhesive dots or strips on the back of your entries. Four dots or small strips of Velcro® should be sufficient to support each exhibit.
- F. All exhibits must be marked on the back with the exhibitor's name and entry number for identification. No exhibitor names on the front. Entry tag to be attached as shown below.

- G. The photography class is open to anyone except those who derive more than 25% of their income from photography.
- H. No former Markham Fair prize-winning photograph will be accepted.
- I. An entry fee of 25 cents will be charged for each entry plus a \$5.00 Exhibitor Fee.

J. All Print exhibits may be produced from traditional film media (slides or negatives), or from a digital media source.

So...just which portion is the hook and which portion is the loop?

The hook portion of Velcro® brand fasteners looks like an upside-down letter “J”. Hook is often described in different terms - the “rough” or the “bristly” portion. The hook portion engages into the loop component of our panels. The Photography Section panels are covered in the “soft”, “fuzzy” or “carpet” portion of the Velcro®. Please use the “hook / rough / sticky” portion of Velcro® on the back of the mount. ****Note: Exhibitors please supply your own Velcro®.****

If a person argues about the weight of his team, he will have the choice to draw in the heavy class or withdraw his team from the contest. Scales will be open a minimum of 2½ hours prior to the scheduled pull time and weighing can begin as soon as the scales are set up. Lightweight teams weigh once per weekend (Thursday – Monday) on OVHDA, CCHPA, EODHA or Northern Draft Horse club scales and your team must enter and pull when weighed at the first pull with the exception if a pull is cancelled due inclement weather, weight slips will be honored. Lightweight class is 3400 lb. and under with a grace of 25 lb. and heavyweight class is over 3400 lb. Distance pullers can rent OVHDA scales and their weigh slips will be accepted by OVHDA if team weighs 3400 lb. and under.
6. Each teamster must pull to the end with no quitting and will take 1 fair hitch on their last load. 8. **SKINCARE:** Make Sugar Scrub using the recipe below. Sugar scrub will be stored in a small mason jar (250ml). No fancy labels or materials. **Judging to be based on consistency, colour, scent, and texture.**

Sugar Scrub Recipe

Ingredients:

- 3/4 cup sugar (more as needed)
- 1/2 cup coconut oil, scent of your choice (optional)
- Food dye (optional)

Supplies: Medium bowl, measuring cups and spoons,

tablespoon. (Extra bowl if doing more than one colour).

Directions:

1. First, begin by adding the sugar and coconut oil together. At first, it will be crumbly but as you mix it will look like baking batter but feel and form like cookie dough, you know you are done mixing when the mixture can hold its shape.
2. (Optional) If adding a scent, a couple drops of essential oils is enough. Then mix. If you want to add a different scent it is up to your discretion, if you add a lot of liquid you may have to add in more sugar. Tip: Adding in more sugar; slowly add sugar a little bit at a time until consistency holds its shape. You can do this at any point if your sugar scrub has excess liquid. Do this same step with coconut oil if consistency is hard.
3. (Optional) Adding food coloring. Add a couple of drops of food coloring at a time and mix 'till the colour is to your liking. This should not dye your hands unless not mixed fully. If doing multiple colours, scoop out a portion into a different bowl and repeat step 3.
4. When finished scoop into a 250ml jar, to make sure there are no unfilled parts of the jar, shimmy the jar on the counter until jar is filled out. Note: If left out for a while or left in a hot space the mixture can separate or melt; to fix this mix it well and store in cool area.

Dylan Wesley Armstrong Markham Fair President 2025

By Myra Chepack

Born September 1991, at Markham Stouffville Hospital, Dylan began his Markham Fair journey by taking third place in the baby contest. At one year old, it can be said that his road to the presidency began at a very early age!

Dylan was blessed with several mentors in his life, both professionally and in a volunteer perspective. His dad, Michael James Armstrong, worked with Brian Lee, owner of Budget Towing in Markham. As a youngster, Dylan accompanied his Dad to the shop and in the trucks. He developed a love of mechanics and trucking and ultimately attended the four-year auto-mechanic program at Centennial College after graduating from Huron Heights Secondary School in Newmarket. While enrolled in this program, Dylan was encouraged by John Doner, owner of John Doner Limited, to pursue heavy equipment and trucks, moving him away from auto mechanics. Dylan embraced this direction and worked for Mr. Doner for eleven years on the Doner farm. Dylan is now employed by Griffith Property Services, utilizing his mechanical expertise as well as his agricultural knowledge.

Budget Towing and Brian Lee played an immense role in the Fair of 1977 when severe weather played havoc with the newly opened facility at McCowan and Elgin Mills. Brian served the Fair on many committees over 40 years, holding the position of President in 1994. Dylan accompanied his dad to the Fair and was heavily influenced by Brian and his wife Cathy to participate in the Fair. He also volunteered in Santa Claus Parades, amassing hundreds of volunteer hours (more than the required 40 for high school)! Dylan's Grandfather, James Carson Armstrong, and Dad, Michael James, were both staunch

supporters of the Fair and contributed on many committees. He began his bid to become a Junior Director at the age of 18 - two years later he was elected and has served in virtually every capacity since. He is currently co-chairman of the Cleanup, Grounds, and Demolition Derby committees. He and his family will enjoy a whirlwind year as he navigates the Presidency.

Alex Armstrong (MacDonald), Dylan's wife, works for a medical pharmaceutical company in HR. They reside in Keswick with their 2-1/2-year-old son, Cooper, who, of course, loves being at the Fair. Born July 2022, he attended his first Fair at about ten weeks of age. His Aunt Rachel, Dylan's sister, married to Phillip Chan (also a mechanic and trucker) are parents to a daughter of the same age and a son a year younger. Dylan pursues outdoor activities, snowmobiling, camping, and spending time at Birdsall Beach, a campground in Peterborough with both his and Alex's families.

The Armstrong family lived on the farm at Reesor Road and the area that is now Hwy. 407. After expropriation in 1972 the family relocated to 16th Avenue and Hwy. 48. Dylan's Dad, Michael, married his mom, Deborah Anne (Bickford), and eventually moved the family to Mount Albert when Dylan was 13. Dylan's Grandmother, Elizabeth Ann Swain, and her family farmed on the property that is now the Granite Club Golf Course on the York Durham Line of Bloomington. It is Dylan's sincere hope that he will, in time, acquire a farm property and pursue cash cropping.

Dylan is the 8th person in the Armstrong family to serve as President of Markham Fair. His 4th generation great-grandfather, Capt. Wm. Armstrong, gifted 5 acres of his land at Markham Road and Hwy. 7 to the Fair to provide it with a permanent home. Listed below are the Armstrongs noted as Presidents*:

1844 - Captain Wm. Armstrong
 1893 - Robert Goodfellow, 8th child of Capt. Wm. Armstrong
 1910 - Dr. James McCreight Armstrong - grandson of Captain Wm. Armstrong, son of Robert Goodfellow
 1913-14 James Torrance - Son-in-law of Capt. Wm. Armstrong, married to his 7th child Anne.
 1933-34-35 Robert Peter Armstrong, grandson of Capt. Wm. Armstrong, son of William.
 1984 - Bryan Robert, great-great grandson of Capt. Wm. Armstrong, son of Frederick

* many others in the Armstrong family served the Fair in multiple other capacities.

Note: East Riding of York Agricultural Society partnered with Markham Agricultural Association to host some Spring and Fall fairs together. They each had a President at one time, ultimately, only the Markham Agricultural Society formed the Fair presidency. James Torrance was honoured with a street named for him on the property of the original fair.

Dylan is the 8th Armstrong to hold the office of President of Markham Fair - there being 181 years between he and Captain Wm. Armstrong. In his role as President, Dylan has challenged the Board members as well as committee chairs to be

innovative and creative in providing stimulating and enjoyable, educational experiences for the 2025 attendees. Although our local communities are experiencing more urbanization, agriculture and the rural roots of our Fair persist and will always be of prime importance.

Markham Fair 1925

By T. Rogers Gardham PP1977

Markham Fair in 1925 was held at its original site on the southeast corner at the intersection of highways #7 and #48. The Fair was held Friday and Saturday, Oct. 3rd and 4th. According to Economist and Sun (MEC) on Oct. 8th: Attendance and Exhibits Score New High Records, Exciting Racing and Trotting Program. At the time, the Fairgrounds sported a half-mile racetrack mainly for Sulky Standard Bred Horses, a grandstand on the track, and the new Agricultural Hall.

Again, to quote MEC: With the fine autumn weather on both days, Markham's annual fair scored a record attendance on Friday and Saturday. And there was a record entry list in nearly

all classes. Taken all round, the quantity and quality of the exhibits have never been surpassed. The racing program was fully up to last year's, which is saying a lot, and held the attention of a vast throng, which crowded the grandstand on Saturday and surrounded the track fence three and four deep. The trotting events brought out large fields of horses for the four races, two on Friday and two on Saturday.

There was the keenest competition in the harness horses, in which President Arthur Davison carried off two championships. Nothing better was shown at Cobourg or the Canadian National Exhibition.

There was an outstanding show in both beef and dairy cattle. Col. F.H. Deacon's fine lot of Shorthorns attracted a lot of attention, and P. Blackburn showed some fine specimens of Polled Angus. Jerseys, Holsteins and Ayrshires were represented by the leading breeders in this section.

The cream of the country was shown in imported Clydesdale stallions, the championship and first prizes all going to Mr. James Torrance, whose horses were placed by the same judges in the same position they occupied at the Canadian National.

The sheep and swine classes were all well-filled, so many exhibits that pens were all filled, and some had to be shown in temporary racks.

In the big Agricultural Building, which was another center of attraction, particularly for the ladies, was the largest and best display of apples and roots ever shown along with a magnificent show of ladies' needlework and handicraft. Also, a gorgeous show of cut flowers, of which gladioli predominated. The paintings, of which there were a generous number, were excellent. The ladies of the District had an appetizing layout of pastry, bread, buns, canned fruit, and pickles.

Also enjoying the warm summery weather and the attractive racing card was the Lieutenant-Governor Colonel Cockshutt to whom the directors tendered a luncheon at noon. President Davison presided and, in a happy vein, introduced the speakers, who were limited to five minutes each. After paying tribute to the fine farms in the district, he stressed that we must have national unity to prosper as a country, with all provinces working together as a unit.

Others of note attending were Geo. S. Henry, W.F. Maclean, Warden Jackson, and Alderman Bert Wemp of Toronto were among those who spoke. Other guests included: Past Pres. A.J.H. Eckardt, the Corsons and Markham Township Reeve W. Gohn.

Saturday: After heavy rain during the night and heavy clouds the early part of the forenoon were finally dispelled, and bright sunshine prevailed the crowds began to arrive by train and motor car. Until nearly 4 o'clock, the ticket windows were besieged by a long waiting line. The crowds on the grounds were estimated at 10,000 to 15,000. Certainly the largest attendance yet. There were fully a thousand autos parked on the grounds and both sides of the streets; the churchyards and open spaces in town were used as parking places.

The grandstand was jammed; people stood four and five deep all around the ring fence. The big hall was always crowded, and every part of the grounds was massed with people.

With the foregoing description of the crowds, it seems unnecessary to say that Saturday was horse racing day at the Fair. Here is what the MEC reporter had to say "the races were equal if not better than last year, and that is saying a lot."

*The Fair President Davison, who when first Vice President in 1924, took the Chair as President Couperthwaite was ailing. He commented: "the Fair last year had shown a surplus and he had every confidence that within six years the Society would be free of debt."

And, in so saying, captured the secret of success for Markham Fair over the years: RESILIENCE, which continues to remain so today.

Readers may recall back in 1917/1918 when the new Fair building/rink was constructed the contractor went bankrupt. In a court trial the judge ordered the Fair to pay what was owed for the building. As part of the Fair's financial restructuring, Past President A.J.H. Eckhardt donated shares of Dominion Manufacturing Co. stock to strengthen the Fair's borrowing position.

*Note to readers: In 1924 Markham Fair was located at the South-East corner of HWYS #7 & #48.

This annual report would not exist without the help of the Markham Museum and this reporter continues to support its many programs and value the knowledge of its competent people. As an example we would know today that the Markham Agricultural Society was formed by Provincial Act in 1844.

In 1998 at the request of Mrs. Alma Walker PP1978 this reporter was asked to continue her work in preparing this annual report. As I am now in my 90th year, it has become apparent to me that it is time to pass the reins to another driver. Since coming to Markham in 1968 and joining the Markham Fair community shortly after my arrival, and thereafter serving in most of its offices, I am most grateful. For a man originating in P.E.I., it has been an adventure in the farming community as well as a historical experience beyond my early dreams. Cheers Rogers.

George Arthur Monkman Davison Markham Fair President -1925

By Myra Chepack

The son of John Francis Davison and Eleanor Pringle, George A.M. was born on August 31st, 1873 and lived an outstanding but short life, passing at the age of 62 on February 8th, 1935. He married Nancy Matilda Canning, whose family were one of the first pioneer families to settle at Hagerman's Hill. Mrs. Davison survived her husband by almost 30 years, passing in 1959 at the age of 90. They had four daughters: Eleanor (Fraser - Mrs. C.R. Mackey), Marie (Rae), Margaret (Wyndham) and Dorothy (Young) of Montreal. Horace J.S. Davison, a brother shown living in London, England and sister Mrs. Isaac Sherrick living in Balcarres, Saskatchewan at time of George's death. The Davison homestead was located on Lot 14, Concession 5, which today is the east side of Kennedy Road north of Toogood Pond in Unionville.

Mr. Davison attended Unionville Public School and Markham High School followed by Hamilton Business College. After college he joined his father in the operation of his general store located at what is now 188 Main Street, in Unionville. His father also served as postmaster from 1913 to 1935 after which Mother Nancy took up the position until 1949. George, at some point became involved in the wholesale grocery business with Mr. A.H. Canning, travelling from coast to coast selling sugar in carload lots. In 1907, at the age of 34, George and his family relocated to the town of Avant in Oklahoma, where he pursued a successful real estate business. The family returned in 1912 to Unionville, whereupon George opened a Ford dealership (177 Main Street) - he would go on to open a garage to service automobiles and added gas pumps as well. By 1917, George

became the top dealer in Canada of Ford products, in part due to the removal of duty from the purchase of Ford Tractors, under the War Measures Act. Henry Ford himself presented George with a recognition award at a ceremony held at the Granite Club of Toronto.

In 1918 he was appointed Clerk and Treasurer of the Township of Markham, a position his father had also held, as well as issuer of Motor Vehicle licenses. Together George and Nancy raised and showed Hackney ponies and Standard Bred horses. George was on the Boards of Management for the CNE and the Royal Winter Fair, acting as President of both organizations. He was a long standing member of the Hackney Pony and Standard Bred Horse Assoc., and was awarded the Presidency of that organization just prior to his death. He served two terms as President of Markham Fair. This "power couple" of the equestrian scene took copious numbers of honours. In 1930, showing 30 horses, they were awarded 170 prizes - 140 of which were for 1st or 2nd place at the Royal Winter Fair. Nancy was honoured at a dinner held by the Directors as one of two exhibitors to have shown horses since the inception in 1922 of the RWF - the other being The Toronto Police Force Commission.

George curled in 1899 with the Parkdale Lawn Bowling Assoc. and bowled with the Parkdale Lawn bowling Assoc., winning several important events in both pursuits. He was a Warden at St. Phillips Anglican Church and Master of the Markham Unionville Lodge when he participated in the laying of the cornerstone of that edifice in 1904. He was District Grand Master in 1913, a Brother in the Scottish Rite, and held many degrees in both.

When the Davison family returned to Unionville in 1912 from Oklahoma, they brought with them a Kentucky bred five-gained saddle horse standing over 16 hands, named Chatham. With the stipulation that only a Colonel Neil, a friend of the family, was to ride him. The Davisons reluctantly allowed Chatham to be conscripted by the Canadian Government for use in WW1. He performed for troops in France and survived six battles to return to Unionville, after the War.

Nancy Davison was an outstanding woman in her community. She was a life member of the Red Cross, first President of the Women's Institute, a member of the Eastern Star Lodge and the Horticultural Society. She was actively involved with her community in many ways and was postmistress from 1935 until 1949 and a Moros Licenses issuer for 15 years. Referred to as "The Pony Queen of Canada" she was acknowledged as an expert horsewoman and judge of horses in Canada and the United States. With more than 1000 trophy ribbons, silver cups and plaques. Mrs. Davison attributed their success to her womanly intuition!

George's funeral was referred to as the largest in York County, with several hundreds of his Masonic brethren in attendance. He was held in very high esteem by all who knew him.

JOHN COUPERTHWAITE MARKHAM FAIR PRESIDENT – 1924

Please note this article was originally intended for inclusion in the 2024 Prize Book but was inadvertently omitted. We're pleased to include it this year and recognize its valuable contribution.

By Myra Chepack

Born in Cumberland, England on January 22nd, 1860 to John Stewardson Couperthwaite (1826-1885) and Hannah Ella (Teasdale), born 1827. John married Sarah Ann Bell (1860-1926) in June of 1880. They were blessed with ten children. John and Sara emigrated to Canada in 1884 and settled in Milliken Mills, where John worked as a labourer for a Mary A. Corbet and Wm. Watson Hagerman. In 1912 he purchased the property at Conc. 7, Lot 6 where he farmed until 1920, at which time he retired. He is then listed as a gardener (likely market gardening) on a smaller acreage, for a number of years. He passed away March 6th, 1948 at the home of his daughter and is interred at Ebenezer Cemetery in Milliken.

Two of John's sons served in the military, Carleton born 1896, with the 127th Battalion which performed drills out of the Markham Town Hall. His name is one of the 16 on an honour role plaque of MDHS students who signed up. George, born in 1892, was killed in action on April 10th, 1917 at Vimy Ridge. His name is listed on the Cenotaph in front of Crosby Memorial Arena, in Unionville. He served with the 75th Battalion out of Toronto and was transferred to the 3rd Canadian Battalion. A massive memorial service with standing room only was held at Ebenezer Methodist Church in Milliken and was attended by people near and far. George was considered to be the best ploughman in the Dominion of Canada and was deeply mourned.

A number of locations bear the name of Couperthwaite. The house shown in the attached photo is on the north side of 14th

Avenue, east of McCowan. This home is known as the McCauley-Couperthwaite house having been owned by George McCauley from 1891 to 1912, when it was sold to John Couperthwaite and has received designation as a heritage property. Development is to take place in the near future, however the house will be retained on site and hopefully showcased. John was responsible for the building of the large barn on that property, which has since been demolished. He also farmed the land owned by the Hagerman family at Hagerman Corners (Kennedy and 14th) after retiring in 1926 from operating the large farm on 14th Avenue.

John was highly regarded in the farming community as well as a breeder of Clydesdale horses. He was very involved with the East York Ploughmen's Association offering his services as a judge. He served for a number of years as a Director of Markham Fair before becoming President in 1924.

The fifth born of John's ten children, Leslie James, who married Ivy Catton, was the grandfather of a current Markham/Unionville resident, William Paul married to Christine Rataj, who has amassed much of the information contained in this article. William Paul's father was William Bruce, one of ten children, who grew up in Unionville, attending the school at Hagerman, which is now a restaurant and Markham High School. William Bruce was an electrician and a district Fire Chief for the volunteer fire department from 1970 to 1995. William and his siblings are remembered by Unionville residents who are now in their nineties. Grandsons of President Couperthwaite, William Bruce and George Catton Couperthwaite built the building that currently houses Il Postino Restaurant on Main Street Unionville, formerly the old post office. They also built a house on Maple Lane, for William Bruce and his bride Mona Marie (Sherman). George Couperthwaite Park is at 45 Kentview Crescent, between 14th Avenue and the Donald Cousens Parkway in Boxgrove, commemorating his sacrifice in the First WW. There is also a Couperthwaite Crescent east of Kennedy Road, north of Hwy 7.

The family is still serving Markham Fair, as Beverley Tooley, is the great granddaughter of John Couperthwaite and serves on the Decorating Committee and Roots and Vegetables

Committee. John Couperthwaite left a legacy and commitment still very much alive in our community today.
