President's Message

On behalf of the Markham and East York Agricultural Society, I have the honour of welcoming you to the 2026 Markham Fair. Markham Fair has built a rich agricultural history since the society began in 1844. We continue to honour our heritage and strive to grow new traditions in an ever-changing world.

The theme for the Fair this year is Harvest Time. Harvest has always been a time for the community to come together, reflect on the year, and reap the benefits of all the hard work and dedication. This perfectly describes Markham Fair. Each year, over 800 volunteers come together to put on this amazing event. It takes a community of people of all ages, backgrounds, and skill sets to grow the Fair into what it is today. Part of our vision as a society is to celebrate and promote agriculture and rural living, which is why we dedicate so much time and effort each year to bringing the Fair to the community.

The Fair is forever grateful to all of our exhibitors and their displays that bring life to our buildings and barns. Whether you are bringing horses for the horse pull, the biggest pumpkin you've ever grown, or banana bread from your secret family recipe, each entry contributes to the Fair experience. You should all be proud of what you have to display at Markham Fair as we gather to celebrate agriculture, rural living, and harvest time.

A special thank you goes out to everyone who helps in the success of the Fair: our Markham Fair staff, our local municipalities (the City of Markham and the Town of Whitchurch-Stouffville), our service clubs, sponsors, and local businesses.

I would like to invite you all to come and enjoy everything that the 182nd Markham Fair has to offer. Join us in celebrating the sights and the sounds of Canada's largest 4-day fall fair.

Sincerely,

Devin King

Homecraft President's Message

It is an honour to serve as Homecraft President for the 2026 Markham Fair. The Fair has always been a special part of our community, celebrating agriculture, creativity, and the traditions that bring people together each year.

I would like to extend my sincere thanks to the many committee volunteers whose time, energy, and passion make the Homecraft Division so successful. From organizing entries to preparing displays and welcoming exhibitors, your efforts truly keep this long-standing tradition thriving.

I would also like to recognize the Homecraft Executive for their commitment and teamwork throughout the year. Your guidance, planning, and countless hours of work ensure that our Division continues to grow and inspire participants of all ages. Thanks also to the Markham Fair staff and Fair Board for their support and dedication in bringing the entire Fair together.

On a personal note, I would like to thank my family for their encouragement and support over the years. The Markham Fair has long been a part of my family's story, and it is especially meaningful knowing that my Father served as Fair President in 1999. Following in the footsteps of those who have contributed to the Fair before me is both humbling and inspiring.

With our theme, "Harvest Time," this year, we are excited to welcome everyone to another wonderful Markham Fair. Browse this Prize Book or visit our website to find a section that inspires you, and enter your projects in the 2026 Fair. Join us in celebrating the fall season with the vibrant community that makes the Markham Fair so special.

See you at the Fair!

Sincerely,

Emily Boag
2026 Homecraft President

2025 Ambassador's Message

I would like to thank the Ambassador committee, as well as all the committees and the Markham East York Agricultural Society, for guiding, supporting, and letting me be me. I would also like to thank our Junior Ambassador, Michelle Sun. I had so much fun walking on this journey with her and I can't wait to see where her dreams take her!

Throughout my journey of becoming and being an Ambassador, as a black woman, I've faced bittersweet moments at banquets, conventions, parades, and our local Markham Fair. Knowing that I am supported through the difficult times has helped me a lot.

During the Markham Fair, I had the opportunity to speak with many people, guests, volunteers, and entertainers. I heard countless stories. Some were sad, some heartwarming, and many more were exciting and inspiring! It is amazing to hear how our Fair was created and continues to create a community where all these different stories contribute to a bigger story. It is a heartbeat that passes down through generations, keeping our Fair thriving. If we take the time to listen long enough, we may hear and feel our Fair's heartbeat.

Exciting and surprising changes are coming! Our community is growing both in size and in the many cultures represented. I look forward to seeing how we can add these amazing stories to our local fall Fair. In order for guests to feel comfortable and accepted, we must be willing to bend a little and explore how we can make our Fair their Fair too.

Thank you,

Rosie-Maquilene Inrig
2025 Markham Fair Ambassador

Markham Mayor's Message

On behalf of the Members of Council and the City of Markham, I am pleased to extend a warm greeting to everyone attending the 2026 Markham Fair. For more than 180 years, the Markham and East York Agricultural Society has played an important role in bringing our community together while celebrating the proud agricultural roots that helped shape our city. What began in 1844 as a gathering of farmers sharing knowledge and showcasing their harvests has grown into one of Canada's oldest and most beloved country fairs.

Today, the Markham Fair continues that tradition by providing a vibrant forum where residents and visitors alike can experience the best of rural life, community spirit, and friendly competition. From the impressive exhibits and livestock shows to the exciting midway rides, tractor and horse pulls, and family entertainment, the Fair offers something for everyone. Each display and activity reflects the hard work, creativity, and dedication of thousands of exhibitors and volunteers who make this annual celebration possible.

I would like to extend my sincere appreciation to the Markham and East York Agricultural Society, its Board of Directors, and the more than 800 volunteers who contribute their time and energy across dozens of committees to organize this remarkable event. Their commitment ensures that the Markham Fair remains not only a celebration of agriculture and rural traditions, but also a cherished gathering place where neighbours, families, and friends come together.

Once again, thank you to everyone who helps make the Markham Fair such a special part of our community. I wish you a wonderful fair filled with fun, discovery, and lasting memories.

Sincerely,

Frank Scarpitti
Mayor

Whitchurch-Stouffville Mayor's Message

This prestigious event has been a cornerstone of our community, showcasing our vibrant agricultural heritage and fostering a spirit of camaraderie and celebration among the residents of Markham, Stouffville, and beyond.

I would like to express my deep gratitude to the organizing committees for dedicating countless hours to ensuring the success of this Fair. Your meticulous planning and unwavering commitment have brought together an event that reflects the true essence of our community. To the volunteers, whose selfless efforts and enthusiasm have been the backbone of this Fair, your contributions are invaluable and greatly appreciated.

I would also like to extend my heartfelt congratulations to the winners of the many contests held during the Fair. Your achievements are a testament to your skill, hard work, and dedication. Whether in livestock, horticulture, crafts, or culinary arts, your excellence serves as an inspiration to all.

Sincerely,

Esther has supported multiple areas of the Fair, including being the Domestic Science Committee Chair in 1988, and Homecraft President in 1991, but baking has always been her passion. General Conditions for both Hand Quilted and Machine Quilted Quilt Competitions.

1. Each local fair is entitled to send the grand champion quilt judged best in show for both sections to the district competition in October 2026. If the same quilt wins at more than one fair the exhibitor must consider the agricultural society closest to his/her home address as the one from which the quilt will be sent to the district meeting. If any entry wins grand champion or best of all classes at more than one fair, the other fairs at which this quilt was entered and won should enter their reserve grand champion quilt. If an exhibitor wins with different quilts at different fairs, all quilts are eligible to be entered.
2. Judging will occur at local fairs and district levels. A provincial grand champion quilt will be selected at the annual OAAS Convention.
3. The winner's name and pattern is to be displayed at the fair on a sign provided by OAAS.
4. Upon making an entry into the OAAS quilt competition the exhibitor agrees to participate in any promotional activities related to the competition.

* **Pick-up:** Sunday, October 4th, 2026 from 6:30 - 8:00 pm. Markham Fair is not responsible for lost or damaged exhibits.

The Markham Fair Photography competition is **ALL PRINT!** You can still take your photos with a digital camera, however, the digital display categories have been removed. This competition is about your ability to capture that special image and present it in print form without obvious enhancements. This is a photography competition, not a Photoshop® Competition. *** Check out our website for more information.

Additional Rules:

- A. Only one entry per person per class is permitted.
- B. Framed photos will not be accepted. No wooden mounts. No glass.
- C. Minimum print size is 5" x 7" unless otherwise stated.
- D. **Maximum mount size must not exceed 11" x 14" unless otherwise stated.**
- E. All photos must be mounted on stiff cardboard or photographic mounting board. To hang properly, use the hook portion Velcro® adhesive dots or strips on the back of your entries. Four dots or small strips of Velcro® should be sufficient to support each exhibit.
- F. All exhibits must be clearly labeled on the back with the exhibitor's name and entry number for identification. Exhibitor names must not appear on the front of the entry. Entry tag to be attached as shown below.

G. The Photography Section is open to anyone except those who derive more than 25% of their income from photography.
H. No former Markham Fair prize-winning photographs will be accepted.

I. An entry fee of \$0.25 cents will be charged per entry plus a \$5.00 exhibitor fee.

J. Print exhibits may be produced from traditional film media (slides or negatives) or digital sources.

So...just which portion is the hook and which portion is the loop?

The hook portion of Velcro® brand fasteners looks like an upside-down letter “J”. Hook is often described in different terms - the “rough” or the “bristly” portion. The hook portion engages into the loop component of our panels. The Photography Section panels are covered in the “soft”, “fuzzy” or “carpet” portion of the Velcro®. Please use the “hook / rough / sticky” portion of Velcro® on the back of the mount. ****Note: Exhibitors please supply your own Velcro®.****

Distance pullers can rent OVHDA scales and their weigh slips will be accepted by OVHDA if team weighs 3400 lb. and under.
6. Each teamster must pull to the end with no quitting and will take 1 fair hitch on their last load. The entry tag must be on the bottom right-hand corner.
- SALSA:** Make fresh Salsa using the recipe below. Salsa is to be placed in a small mason jar (250ml). No fancy labels or materials. Salsa should be made no earlier than September 26th.

Salsa

Ingredients:

- 1 1/4 lbs ripe Roma tomatoes* (about 5-6)
- 1 (14.5 oz) can petite diced tomatoes**
- 2 green onions,*** ends trimmed, chopped into thirds
- 1/3 cup chopped red onion (about 1/4 of a medium)
- 1 jalapeno pepper,*** seeded and roughly chopped
- 1/3 cup fresh cilantro (about a handful)
- 1 large clove garlic, roughly chopped
- 2 Tbsp fresh lime juice
- 1/2 tsp chili powder
- 1/4 tsp ground cumin
- 1/2 tsp granulated sugar (optional)
- Salt and pepper to taste

Instructions:

- Combine all ingredients in a food processor and pulse in 1-second bursts until all ingredients are finely chopped. Blender may be used, or chopped by hand.
- Note that salsa always tastes best after it's been refrigerated for a few hours, so if time allows let the flavours marinate together before serving.
- Store in refrigerator up to 1 week.

Notes:

- * Use best quality tomatoes or salsa will be lacking in flavour.
- ** Canned diced tomatoes with mild green chilies, or canned fire-roasted tomatoes, also work great.
- *** For a slightly stronger onion flavour you can just omit green onions and use about 3/4 cup red onion (or 1/2 of a medium onion).

- **** You can leave the seeds or use a serrano pepper for a spicy salsa. Sometimes I like to substitute a few canned chipotle peppers with some adobo sauce for the jalapeno. This is also a spicier option.
- Another tasty addition is to include 1/2 bell pepper, or 1 poblano or Anaheim pepper.
- For a thinner salsa, you can add in a bit of tomato juice or tomato sauce if desired.

The fill layer of the quillow (quilt plus quilted pillow) can be cotton, polyester-cotton, or polyester only. Devin King Markham Fair President 2026

By Myra Chepack

Devin was born on June 16, 1995, at Markham-Stouffville Hospital in Markham, Ontario. Devin will become the second-youngest Fair President while serving the position in 2026. The youthful energy and mature outlook of Devin bodes well for a strong, clear-eyed hand, holding the direction of the Fair steady with a realistic view of the future.

Devin attended both Goodwood and Port Perry elementary schools and is a graduate of Uxbridge High School. He pursued his post-secondary education at the University of Guelph, obtaining a Bachelor of Mechanical Engineering. Devin spent a year with MacDon, an agricultural company based in Winnipeg, travelling throughout the United States as a test engineer on combine header prototypes. As a born-and-raised farm boy, Devin relished his involvement at Guelph with the agricultural students and felt he was part of both that cohort and the engineering student body. In 2018, Devin's father, Jan, called him home to the family farm to join him and Devin's uncle, Rodney, in running the family businesses. The King farm is located on the 2nd of Uxbridge, north of Webb Road, where they run a large cash cropping endeavour. Devin's parents, Jan

and Heather (Martin), also own and operate three Tim Horton stores located in Uxbridge and Stouffville. Business and farming run quite strongly in this family. Devin's engineering expertise is often called upon to assist both at the farm and in the stores.

Devin married his high school sweetheart, Lynsey Brown. They wed at the home farm in September of 2022 and are the proud parents of Lainey, age 3, and Levi, age 1. Lainey and Levi have both already experienced participation in the Markham Fair as contestants in the Baby Contest. Both Lainey and Levi will be Jr. VIPs and will play supporting roles for their dad at the 2026 Fair.

As a long-serving Board member, Devin has served on many committees leading to his presidency; he is currently a co-chair of the Special Attractions Committee. Devin and his two brothers grew up attending the Fair as Jr. VIPs, and quickly grew into roles with more responsibilities. His older brother, Mitchell, previously served on the board for six years, while his younger brother, Carter, joined Devin on the board for the first time at the 2026 AGM. Devin welcomes their support and input during this busy and eventful year. Devin is a retired rugby player and served as captain of the Oshawa Vikings Rugby Football Club for 5 years. After numerous injuries and many hours spent at the rugby pitch, Devin decided being President of Markham Fair and a young Dad of two was sufficient activity for 2026! He is also an active member of the York Soil and Crop Association.

The King family name is well known in part due to Devin's grandfather, Eldred, who was the Mayor of Stouffville and then York Region Chairman. Eldred served on the Markham Fair Board of 1955 and raised his family with his wife, Beulah, on their farm at Highways #48 and #47 in Stouffville. Devin's Dad, Jan, joined the Markham Fair Board in 1982 at the age of 18 and served as President in 1996.

Devin hopes to maintain the status quo at the Fair, as the current trajectory appears very positive. He will strive to maintain the agricultural traditions that are the roots of the Markham Fair and the surrounding communities.

Looking Back:

Markham Fair, 1926

By George Duncan

One hundred years ago, the seventy-fourth Markham Fair was held on Friday, October 1st, and Saturday, October 2nd. If you lived in or near Markham Village, you would have been able to walk to the Fair because it was located on the old fairgrounds at the southeast corner of Highway 7 (historically known as Wellington Street) and Main Street (formerly Highway 48). If you lived further away, you could come by train, horse-drawn vehicle, or perhaps in a gasoline-powered motor car or truck. By 1926, we were well into the automobile age. In fact, Markham Fair's President for the second year in a row was G. A. M. Davison (known as Arthur), owner of a Ford Motor Company dealership on Main Street Unionville.

The Province of Ontario published a notice encouraging people to attend fall fairs:

Take in the Fall Fairs

They're better than ever, this year

Most of the crops are in. Relax. Visit the Fall Fairs. Here you'll find old friends, make new ones, establish valuable business connections, profit from the instructive exhibits and thoroughly enjoy the fun.

The same notice encouraged those driving on the province's highways to "drive reasonably" as they made their way to fall fairs across Ontario.

The *Markham Economist & Sun* and the *Stouffville Tribune*, local newspapers of the day, give us very good descriptions of happenings at Markham Fair. In the papers, it was announced that John S. Martin, the Minister of Agriculture, would be attending the opening. The Hon. John Strickler Martin, Conservative MPP for Norfolk South and Norfolk, served as Ontario's Minister of Agriculture from 1923 to 1930. He was well-qualified for the job, being a farmer himself, breeding poultry and raising cattle on his home farm near Port Dover.

Attendance at the Markham Fair was reported by the *Markham Economist & Sun* as 11,000. The *Stouffville Tribune's* coverage of the Fair gave a higher number. The exhibition was blessed with good weather on both days, with Saturday being the finest of the two. Common sense would suggest that fair weather would boost attendance, but it turned out that the numbers were down from the previous year. The reason for this was that many farmers were taking in crops of oats and buckwheat on the dry days of the Fair because their harvesting efforts had been thwarted by six prior weeks of wet weather.

The formal opening of the Markham Fair on the Friday afternoon was marked by a luncheon presided over by Fair President Arthur Davison and members of the Fair Board. A number of dignitaries attending the opening, other than the Minister of Agriculture, included Robert Miller, past president of the Canadian National Exhibition, W. H. Dryden, Sheriff Alex McCowan, Markham Township Reeve Wesley Gohn, Markham Village Reeve George W. Wilson, Major G. B. Little, William Keith, M.P.P., and J. M. Gardhouse.

In his opening remarks, the Hon. John S. Martin "spoke highly of the exhibits at the fair and referred to the fine type of farmers and breeders of York County, who had done so much to make Canada known throughout the world. He referred to the fact that from York County had come the championship sheaf of oats at the great Wembley exhibition in England in 1924, as well as the Canadian honey exhibit." *Markham Economist & Sun*, October 7, 1926.

Exhibits in the Agricultural Hall were attractive and very well attended. There were prize-winning displays of fruit, vegetables, cut flowers, baking, preserves, and arts and crafts. School exhibits showcased students' penmanship and drawing skills. A highlight was a display of the products of D. N. Reesor & Sons Milling Company, a prominent local industry opposite the Markham Village Railway Station. The mill's popular Snowflake and Whole Wheat flours and Marmill Poultry Feed were among the products featured in their display. In keeping with the progressive trends of the twentieth century, the latest models of Chevrolet, Oakland-Pontiac, and Oldsmobile automobiles were on display by Beare Bros. & Clayton, as well as new radio models. Local hardware merchants A. & H. Wideman enticed fair-goers with McClary stoves and ranges.

George Robins, the Malvern correspondent for the *Markham Economist & Sun*, provided a glowing description of all he observed at the Markham Fair. With respect to his visit to the Agricultural Hall, he wrote, "In this building it was a joy to me to meet in the flesh so many old friends, and to hear them say they were pleased to see me. Yes, kind reader, I love to attend Markham Fair to view the exhibits and meet humanity clad in new scenery." *Markham Economist & Sun*, October 7, 1926.

Other amenities at the Fair included music by the Stouffville Brass Band, a softball game, a lunch counter operated by St. Andrew's United Church, and a nail-driving contest at the midway, popular with both gentlemen and ladies.

Horse races on the one-half-mile oval racetrack, overlooked by the large wooden grandstand, proved as popular as ever. The *Stouffville Tribune* stated, "It was Markham Fair at its best. The center of attraction was, of course, the trotting ring, where a number of horses of more than provincial reputation struggled for supremacy." Oct. 7, 1926. At one point on the Saturday of the Fair, there were an estimated 1,000 spectators in the ring. The races included trotters, running, steeple chase, and saddle pony races. Vast crowds provided ideal conditions for the work of what the paper termed "the light-fingered gentry," in other words, pick-pockets. Despite the presence of township constables, the thieves got away with around \$1,200. The size of the thefts may have been larger had all of them been reported to the constables.

The *Markham Economist & Sun's* October 7th edition published the names of the prize-winners of 1926 and summed up highlights of the showing of horses, cattle, sheep, and poultry, quoted below:

"While the heavy horses were comparatively few in number, as they have been for the past several years, those shown there were the cream of the country. James Torrance carried off all the prizes in Clydesdale stallions, including the championship,

with the same string that carried off the honors at the Canadian National and London shows, and George Millard of Newmarket won the E. T. Stephens' cup with this fine draft team."

"The light horses were a real good lot, a number of very fine animals being shown both in the ring and in harness. In the high steppers and pony classes, Mrs. G. A. M. Davison was, as of late years, the outstanding exhibitor."

"The cattle breeds, both beef and dairy, were represented by some very fine herds. Col. F. H. Deacon of "Glenburn Farms," Unionville, showed a choice lot of Shorthorns in the pink of condition, and P. Blackburn had a fine herd of polled Angus. Holsteins, Ayrshires, and Jerseys were all well represented by local breeders."

"The sheep exhibit was the largest and best ever shown at Markham – Hampshires, Shropshires, Cotswolds, Leicesters, Oxford Downs, Cheviots, and Suffolks. The Hampshires were a particularly fine lot."

"The poultry show, while smaller than last year, was exceptionally good in quality and won the approval of the Hon. J. S. Martin, himself one of the leading breeders and experts on the continent." It is interesting to note that Mr. Martin's poultry farm specialized in White Wyandotte laying chickens. He developed a special poultry feed for them, which led him to form the Regal Poultry Feed Company with his friend, Charles G. Ivey.

George Arthur Monkman Davison Markham Fair President-1926

By Myra Chepack

Mr. Davison was the Fair President in 1925 as well as 1926. The 1925 write-up was extensive, and once again, his many accomplishments will be noted. He was a very prominent citizen, as was his wife, Nancy Matilda (Canning), who was referred to as "the Pony Queen of Canada". The Canning family emigrated from Ireland to Canada and were among the first pioneers to settle at Hagerman Corners (Hill) in Markham. They were Nancy's grandparents, John and Jane (McAllister). Her parents were John Canning, the second of John and Jane's children, and Martha (Gilmore). Nancy was the youngest of their nine children, born August 24th, 1869.

George Davison, also referred to as GAM and/or Art, was the son of John Francis Davison and Eleanor (Pringle), born on August 31st, 1873. Although George had many accomplishments, he died at the young age of 62 on February 8th, 1935. George and Nancy married in November of 1895 and raised four daughters, Eleanor (Fraser Mrs. C.R. Mackey), Marie (Rae), Margaret (Wyndham), and Dorothy (Young) of Montreal. The daughter of Marie (Betty Rae Reeve) inherited her grandmother Nancy's love of horses and continued the pursuit after her grandmother's death. The family resided on Lot 14, Conc. 5, which today is the east side of Kennedy Road, north of Toogood Pond. George's father, John, ran the General Store on Main Street in Unionville and also served as postmaster from 1913 to 1935. George worked at the store and then became involved in the wholesale grocery business with his brother-in-law, Alexander Hastings Canning.

The family relocated to Oklahoma in 1907 and returned to Unionville in 1912. During that period, George pursued a successful real estate business. Upon their return, George opened a Ford dealership at 177 Main Street in Unionville, which ultimately became a garage for servicing automobiles. He became the top dealer in Canada of Ford products. Henry Ford himself presented George with a recognition award at a ceremony held at the Granite Club in Toronto.

Both George and Nancy's families were heavily involved in the breeding and showing of horses. The Canning family bred Hackney ponies, and the Davisons raised Standardbred horses. George was on the Board of Management for the CNE and the Royal Winter Fair, serving as President of both organizations. He was also a long-standing member of the Hackney Pony and Standard Bred Assoc., and was named to the Presidency just prior to his death. They are both listed in the Hall of Fame of the Hackney Pony Association.

Nancy was referred to as “the Pony Queen of Canada” and acknowledged as an expert horsewoman and judge of horses in Canada and the United States. With more than 1000 trophies, ribbons, silver cups, and plaques, Mrs. Davison attributes their success to her womanly intuition. She was quoted as saying, “Horses are just like men. You have to kid them along. You can get a lot more out of them by telling them how wonderful they are than by trying to boss them.” Together, George and Nancy were acknowledged by a number of organizations in which they contributed their many skills. Nancy was honoured at the exhibitors’ banquet at the Royal Winter Fair, as she had shown every year since its inception in 1922. Nancy was the first president of The Women’s Institute in Unionville, a member of the Eastern Star Lodge, a life member of the Red Cross, and an active member of the Horticultural Society. She wrote many articles on the history, breeding, and training of horses, which were published in all the leading Canadian magazines, as well as in some U.S. magazines.

As President of Markham Fair for two consecutive years, George was blessed to have Nancy by his side, as she was in all of their endeavors. She continued on stoically for thirty years on her own after Georges’ death, taking on the position of Postmistress for 24 years and Licensing Agent in Unionville for 15 years. Nancy was blessed with longevity, passing in 1959 at the age of 90.

To say George and Nancy were a “power couple” seems an understatement. They were both held in very high esteem by their community and the organizations they served. They were an outstanding example of the commitment, dedication, and industrious nature of the early citizens of the Markham Fair community.
